## Contact Information for Software Customers

Knowledge is power, and we want to help you stay strong. We have valuable information we need to communicate to the correct person at your company. Be assured, **we only use the contact information you provide in the way you specify and we never give it to anyone else.** Please complete and fax back to Jeanne at 815-399-4491. Thanks!

**Administrative contact:** This is the decision maker. This person is our main contact, and will be sent maintenance renewal contracts. I also give this name to Delcam so you can receive information directly from their support department.
